

## Department News

**New Weekly Bulletin Format**

Starting this week, the Weekly Bulletin will have a new format. The email sent out on Fridays will contain the headlines and a short description of each shared item. The full text will be found on the Department of Chemistry [Teams](#) site. Only new news items and announcements will be shared in the email, all previously posted items will remain on the Teams site indefinitely.

**YCC Night at the Ballpark**

YCC is having a night at the ballpark on July 23, 2022 at the Cedar Rapids Kernels game and we invite you to attend and learn more about our YCC chapter! You do not need to be a current member of YCC to attend!

## Education and Enrichment Opportunities

**15<sup>th</sup> Annual Summer Undergraduate Research Conference**

The Graduate College is sponsoring our **15<sup>th</sup> Annual Summer Undergraduate Research Conference** on Wednesday July 27 (1:00 – 5:00 pm) at the **Iowa Memorial Union, Main Lounge**.

Any undergraduate student actively involved in a research project on the UI campus this summer. The student may be part of a formal summer undergraduate research program. Alternatively, the student may be pursuing an individual project with a UI faculty member over the summer. All are welcome and encouraged to present their work but due to *limited* space, *registrations* will be taken on a first-come first-serve basis with priority given to students participating in UI formal summer research programs.

**You must register by Wed July 13<sup>th</sup> @ 5:00 pm.**
